

8 November 2021

Invitation letter for parents of children aged 12 to 15 years of age

Dear Parent or Guardian

COVID-19 vaccination for children aged 12 to 15 years of age

I am writing to inform you that we be offering COVID-19 vaccinations in Crosshill School.

I would like to ask if you wish to give your consent for your child to receive a first dose of the vaccine.

Once we have your consent, we will schedule the vaccination appointment to take place at Crosshill School on Friday 3 December 2021.

This vaccination will be free of charge and our highest priority is making it easy for children to access one dose of the vaccine before the winter.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Please indicate your consent by returning the attached form to Paula Thornton, Admin, Crosshill School no later than **Friday 19 November 2021**.

By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading.

Information about COVID-19 vaccines is available at: www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/coronavirus-vaccine.

Leaflets in different languages are available on the school website.
